Objet: Invitation to the second Pan-European meeting of Local Authorities and the New Generation of Free Trade Agreements

I am very pleased to invite you to the second Pan-European meeting of Local Authorities and the New Generation of Free Trade Agreements, organised by the City Council of Grenoble, on the 17 - 18 February 2017.

This event will gather mayors and elected local and international representatives, to provide an active network on information and actions about CETA (Comprehensive Economic and Trade Agreement of the European Union with Canada) and TTIP (Transatlantic Trade and Investment Partnership).

Following the « Barcelona Declaration », result of the first meeting held last April in Barcelona, the City Council of Grenoble reinforces its part of the process through a second phase of reflexion. It will be the matter of reaffirming a clear position against the implementation and the ratification of these treaties as well as the emergence of citizen's and local initiatives.

I hope you are able to accept this invitation and I look forward to hearing from you.

Your faithfully,
